WEC LE MANS 24

WEC LE MANS 24™ is the 24-hour world endurance championship. All other races pale in comparison. No other race challenges a driver, physically or emotionally, as WEC LE MANS 24™. The racer must push himself and his car far beyond limits required by any other race. He must use his sixth sense as he becomes one with a machine which is perilously insensitive to human failings. WEC LE MANS 24™ is not a game – it is the ultimate driving experience.
